Eligibility for Soldier Grant Entry:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Right of Entry in Area A Restricted

By Section one of the Act 15-16 George V, chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

against the N.E. & S.W. 31-13-4-W.4th, whilst they were also considered to represent a charge against the N.W. 31-13-4-W.4th; to which he held entry, but there lands are now listed as Provincial lands, the title having been taken over under Tax Recovery Proceedings, and the debtor's entry having been cancelled.

As will be seen these properties are situated in a very dry district, east of Medicine Hat, and the debtor failed entirely in his farming operations on this account eventually returning to the United States of America; all trace of him has been lost.

All three parcels involved are now administered by the Department of Lands and Mines of the Province and in common with other Provincial lands situated in a dry district, leased to one of the few remaining settlers, at a nominal rental, for grazing purposes.

It is highly improbable that sufficient revenue will be realized from this property to permit of any payment on this account, which I would, therefore, recommend be written off, and the liens released.

Provincial seed grain cancellation has been made in the sum of five hundred and sixty-one dollars and forty-eight cents, ($561.48).

LAND OFFICE
No. 7992

As security various of these liens were filed against the N.E. & S.W. 31-17-4-W.4th, whilst they were also considered to represent a charge against the N.W. 31-17-4-W.4th, to which he held entry, but these lands are now listed as Provincial lands, the title having been taken over under Tax Recovery Proceedings, and the debtor's entry having been cancelled.

As will be seen these properties are situated in a very dry district, east of Medicine Hat, and the debtor failed entirely in his farming operations on this account eventually returning to the United States of America; all trace of him has been lost.

All three parcels involved are now administered by the Department of Lands and Mines of the Province and in common with other Provincial lands situated in a dry district, leased to one of the few remaining settlers, at a nominal rental, for grazing purposes.

It is highly improbable that sufficient revenue will be realized from this property to permit of any payment on this account, which I would, therefore, recommend be written off, and the liens released.

Provincial Seed Grain cancellation has been made in the sum of five hundred and sixty-one dollars and forty-eighty cents, ($561.40).

Re: NW¼ 31-13-4-W.4th Mer.
Your file No. 2525665.

I have your letter of the 5th of September, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

This quarter section is presently included in Grazing Lease No. 31640, held by James Walter Hutchison, of Medicine Hat, Alberta. This lease expires on the 1st of January, 1964.

According to an Inspector's report on file, this land is suitable only for grazing, and it is not likely that it will be farmed again.

Yours truly,

for V. A. Wood,

Re: Account of John E. Keehr
N.W. 31-13-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1921 and 1922 seed grain accounting to $373.30 was advanced to John E. Keehr on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 373.30	$ 823.07	$ 1,196.37

The N.W. 31-13-4-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 1st of June 1926 and the land is still unalienated Crown Land held in right of the Province.

In reply to our questionaire of the 5th of September, 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This quarter section is presently included in Grazing Lease No. 31640, held by James Walter Hutchison, of Medicine Hat, Alberta. This lease expires on the 1st of January, 1964.

According to an Inspector's report on file, this land is suitable for grazing, and it is not likely that it will be farmed again."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

C.F. Gilchrist.

Memorandum.

Mr. Perrin.

S.E.¼ 24-37-6-W.4th Mer.,
Soldier Grant - H.W. O'Connor, (deceased).
Entry granted - 6th May, 1919.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant obtained advances from the Soldier Settlement Board amounting to $3000.00, as follows: stock and equipment $2201.00; permanent improvements $799.00. In addition to the above land, the Board holds a charge on the W.½ 24-37-6-W. 4th Mer., the late settler's homestead and pre-emption.

The entrant applied for patent claiming duties as shown on form 58A hereunder. Apparently the duties have been performed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent would not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 25th ultimo, the Soldier Settlement Board reports that this entrant died on the 28th January, 1927, and his widow, Mrs. Mary Winnifred O'Connor, was appointed the legal representative. The Board has furnished a certified copy of Letters of Administration and it is stated that the legal representative has requested that title to this land be issued to the Board. She has a prospective purchaser for the property and desires to close the deal as quickly as possible. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the administratrix is residing on the lands.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

Sir,-

S.W. ¼ Sec. 25 Tp. 22 Rge. 3 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Madam,-

N.E.¼ 18-25-6-W.4th M.

I beg to advise you that as the Department has received an official certificate of the regrettable death while on active service of your husband, Corporal John McWalter, who held the above land under homestead entry, it has been decided that action will now be taken to have patent for this land issue in the name of the deceased without calling for the performance of any further settlement duties, subject however to any indebtedness to the Crown which may be registered against the land.

You will be notified of the issue of patent which will be forwarded to the Registrar for the Land Registration District in which the land is situated, and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. It is suggested that you communicate with the Registrar as soon as you receive the official notice of the issue of patent.

TO ALL WHOM IT MAY CONCERN:

WHEREAS it is in effect provided in and by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. V., that notwithstanding anything in the Dominion Lands Act or in any other Act, in the event of a settler who is holding any Dominion land on which a charge has been imposed, constituted or created by or under the said Act or the former Act, being in default with respect to the terms or conditions of any agreement of sale, mortgage or other document executed or made with or to the Soldier Settlement Board of Canada, (hereinafter called the Board) the Minister of the Interior, (hereinafter called the Minister), upon request made by the Board, may declare the right, title and interest of the settler to or in such charged land to be forfeited, whereupon the Minister may declare the said title or interest of His Majesty to or in such charged land to be vested in the Board.

AND WHEREAS [redacted] formerly of [redacted], in the Province of [redacted] a settler holding the following described Dominion land, viz: [redacted]

upon the security of which the sum of [redacted] has been disbursed and upon which a charge has been created by virtue of the provisions of Section 28 of The Soldier Settlement Act, 1919, being in default with respect to the terms and conditions of the Agreement executed to the Board on the [redacted], in that he abandoned the land for the working, improvement and occupation of which advances were made to him by the Board, and otherwise failed to comply with the Loan Regulations of the Board, the undersigned upon a request

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 37 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

[illegible]

Request for Transfer of Dominion Lands under Section 37 of the Soldier Settlement Act.

Re. Ernest William Palmour,
S.W.¼ 22-71-8-W.4th (Man.)
(Homestead patent).

This settler entered for homestead on the above-described land. He has complied in his contract with the Board and has abandoned the land.

Loan was approved on the 1st [illegible], 1919, and the settler secured advances from the Board totalling $2000.00, as follows: permanent improvements, $[illegible]; stock and equipment, $1411.00; special advances, $[illegible]. As security the Board holds a charge on the settler's homestead.

Reports show that the settler was a young man, took very little interest in his proposition. Under date of January 16th, 1924, settler wrote to the district office and stated that he had no intention of ever returning to his farm as he was unable to obtain help. On the 19th March, 1924, the field supervisor reported that this settler was still absent from the land and that he had only replied to some of the communications addressed to him. In December, 1924, the settler's brother-in-law stated that the settler was living in San Francisco, California, and all communications addressed to him there have been returned unanswered. In consequence first mortgage proceedings were taken against the settler's assignment was registered pursuant to Army Day Notice served on the 9th December, 1924, and [illegible] affidavit was filed.

The outstanding indebtedness amounting to the sum of $[illegible] constitutes a first charge against the land. The land forms adequate security in this case and has been selected for sale in connection with the Soldier Settlement Board.

The land is [illegible] subject to the provisions of section 37 of the Soldier Settlement Act, and the settler is willing to sell his interest in the land on the terms and conditions of the agreement made with the Board, it is therefore requested that the right, title and interest of the said settler in the above described land be transferred, and that possession from, title to and interest of the settler, may also be given, title to interest in [illegible] subject to the said charge [illegible] of the Board.

Chairman.

Soldier Settlement Board,

I beg to inform you that the Agent of Dominion Lands at Lethbridge has recently reported that you have failed to file a defence in connection with the cancellation proceedings outstanding against your entry, which fact renders your entry liable to summary cancellation.

Sir,

With reference to the cancellation proceedings outstanding against your homestead entry, the North-East quarter of Section 36, Township 20, Range 13, West of the 4th Meridian, I beg to inform you that the Department of Militia and Defence here reports that you enlisted for active service with the 197th battalion on the 22nd March, 1916, and that you were discharged on demobilization on the 21st May, 1919.

As you secured entry for the quarter-section prior to the date of your enlistment the time spent by you on active service can be counted to your credit as residence duties performed, and as your military service is sufficient to credit you with the required period of six months residence in each of three years you may complete your cultivation duties in one season by breaking the full area called for under the terms of your entry, namely thirty acres or an amount equivalent thereto if the land requires clearing, a reasonable proportion of which should be prepared for crop.

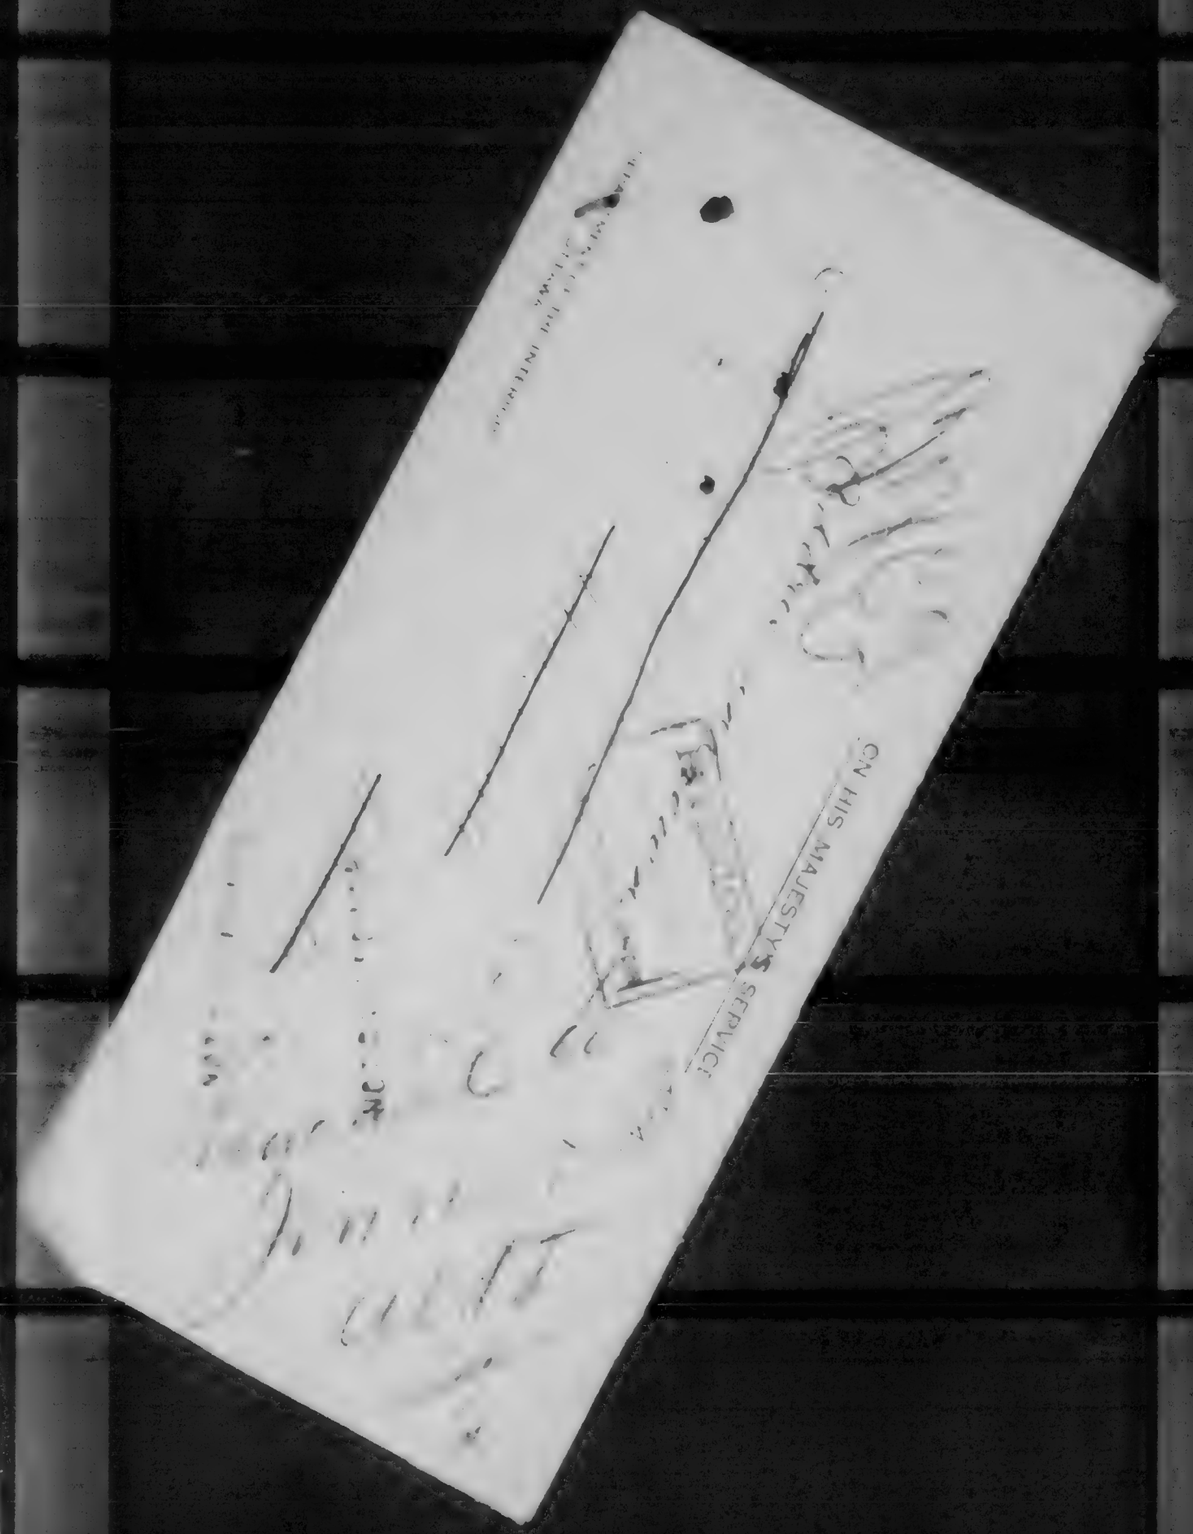

Kindly advise the Department within thirty days from this date what your intentions are as regards this matter. If a satisfactory reply is not received from you within the time allowed it may be found necessary to carry out cancellation without further notice.

With reference to the cancellation presently outstanding against your homestead entry, the [illegible]-East quarter of Section 35, Township 21, Range [illegible], West of the 4th Meridian, I beg to inform you that the Department of Militia and Defence have reported that you enlisted for active service with the [illegible] Battalion on the 22nd March, 1916, and that you were discharged on demobilization on the 31st [illegible], 1919.

As you secured entry for the quarter-section prior to the date of your enlistment the time spent by you on active service may be counted to your credit in residence duties performed, and as your military service is sufficient to credit you with the required period of six months residence in each of three years you may complete your cultivation duties in one season by breaking the full area called for under the terms of your entry, namely thirty acres or an amount equivalent thereto if the land requires backsetting, a reasonable proportion of which should be prepared for crop.

Kindly advise the Department within thirty days from this date what your intentions are as regards this matter. If a satisfactory reply is not received from you within the time allowed it will be found necessary to cancel your entry without further notice.

Your obedient servant,

Assistant Secretary.

Sir,

N.E. 36-20-10 W. 4th M.

I beg to inform you that the cancellation proceedings outstanding against your entry will be held over for thirty days from this date to give you an opportunity to advise the Agent of Dominion Lands at Lethbridge what your intentions are with respect to completing the cultivation duties with a view of earning patent to the land.

I might add that as you have completed the residence duties in connection with your homestead by virtue of military service, it will only be necessary for you to break thirty acres on your homestead and have a reasonable proportion prepared for crop. This may be done in one season. If, however, the land is difficult to break the area may be reduced to that which would be equivalent to the breaking of thirty acres of ordinary prairie land.

Should you fail to carry out these instructions within the time allowed, it may be necessary to take final action.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $31.35 was advanced to Christian Johanson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 31.35	$ [illegible]	$ [illegible]

The N.E. 36-20-10-W4 was formerly the homestead entry of the latter whose entry was cancelled on the 15th of November 1[illegible], and the land is still unalienated Crown Lands held in the right of the Province.

The land is described as rough and rolling, suitable for grazing purposes.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

I beg to acknowledge the receipt of your letter of the 16th instant in connection with the above named man and his homestead, the above described quarter-section. Kindly note that his surname is spelled Frondorf according to our records.

I am in receipt of your letter of 3rd February last addressed to the Agent of Dominion Lands, stating that certain improvements on this land are gradually disappearing, and as a safeguard you suggest that the Department authorise you to remove the granary to your land, the S. E. 30-37-7-W 4.

I would advise you that the Department cannot authorise the removal of these buildings while it is admitted the Crown has a claim through a Seed Grain lien against the land.

Re N.E.¼ 18-37-7-W.4th M.
Cancelled pre-emption - Philipp Frondorf.

N.E.¼ 18-37-7-W.4th M.
Homestead - Philipp Frondorf.
Patented 9th August, 1921.

Philipp Frondorf left Canada in 1922 apparently and the Department cancelled the entry for his pre-emption in 1924 for non-payment of the purchase price.

It appears that at one time Mr. Frondorf had considerable improvements on the half-section but owing to his absence the property is accordingly deteriorating.

In any case, there would appear (besides other improvements) to have been one and a half miles fencing valued at $60.00 on the homestead and one mile of fencing valued at $50.00. on the pre-emption.

The pre-emption was posted on the 1st August, 1924, and the land appears to be still vacant and available for entry.

On the 30th July last, Mr. Roy Crohn, J.P. of Mutual Mills, informed the Department that a man by the name of Symes was removing the fence on the South half of Section 18, Township 37, Range 7, West of the 4th Meridian, under the alleged authority of the Wild Land Assessor.

The matter has been investigated by a Homestead Inspector who reports that the fencing referred to has been taken from the North half of Section 18, Township 37, Range 7, West of the 4th Meridian, by W. J. Symes aforesaid, consisting of ten spools of wire of eighty rods each, under the authority of Harold E. J. Near, Provincial Agent - letter attached, marked.

The Homestead Inspector also interviewed Mr. Near, who happened to be in the district, who stated that he had authorised Mr. Symes to remove the wire as the same would constitute a menace to livestock running at large.

The procedure is somewhat irregular, although perfectly justified on the facts submitted. However, it would appear that as Mr. Symes is in possession of the wire he might be asked to state whether he would be agreeable to purchasing the same in

Cancelled pre-emption - Philipp Frondorf.

I am to acknowledge your letter of the 11th November last, File No. 95198-7, enclosing report of Homestead Inspector Tembry of the 19th October concerning the removal of certain fencing by one, W. J. Symes, on the authority of Provincial Agent, H. S. G. Fear, on the former pre-emption of Philipp Frondorf and in reply to say whereas the quarter-section in question is Dominion Lands it is unnecessary perhaps to call your attention to the fact that Mr. Fear acted without jurisdiction.

However, since Mr. Symes is in actual possession of the wire the Homestead Inspector should be instructed to appraise the material. Should it transpire that Mr. Symes is not in a position at the moment to make the required payment, the Homestead Inspector may be authorized to allow him a reasonable period to accept the offer of the Department and forward a remittance to your office in full settlement.

Secretary.

His pre-emption, the N.E.¼, has been cancelled, but Abstract of Title to the N.W.¼ dated the 13th ultimo shows that title is still held in his name; and as the last report made in October, 1926, states that the land was then unoccupied, I would suggest that further investigation be made this year, advising if the land is being cultivated, if so, by whom, and other information which might lead to collection.

N.E.18-37-7 W.4th.

This is the homestead of Philipp Forndorf, patented on the 7th March, 1921, subject to the lien. It is described as good soil with clay subsoil, 130 acres fit for cultivation, improvements, 1927, house, $40.00, granary, $25.00, cultivation gone back. A statement of the seed grain indebtedness was requested by the Department of Municipal Affairs, Edmonton, File No.333-C-22, under date of the 27th July, 1928, and it is noted that according to an abstract of title secured in 1927, a caveat had been filed by that Department on the 21st December, 1922.

W.E.16-37-7 W.4th.

This quarter was formerly the pre-emption of Philipp Forndorf, whose entry was cancelled on the 14th July, 1924. The improvements on the land at that time consisted of fencing, which was later removed by one, W. J. Symes, who paid the sum of $20.00 for the wire. This amount is shown applied to the seed grain indebtedness. The land is good soil with clay subsoil, 80 acres fit for cultivation.

On the 14th December, 1928, Peter Burke made entry for this quarter as a second homestead, executing the customary declaration to assume the seed grain indebtedness of the former entrant, and applying for an adjustment.

Mr. J. W. Martin,

settlement in order that he might have an opportunity of securing it under homestead entry. If he did have a quarter section withdrawn from his lease and the Department decided to open the land for settlement it would be necessary under the regulations to post it for ten days and then make it available for entry to the first eligible applicant to apply therefor. The former lessee could not be given any prior right of obtaining entry and would have to take his chance with other competitors of securing the land.

The holder of a grazing lease is at liberty to have one quarter section withdrawn from his leasehold. It is not necessary that he should relinquish all the land included in the lease.

Mar 26th, 1929.

Dear Sir:-

5389936 [illegible] 4, 18-37-7-W. 4th Mer.
Peter Forndorf.

The Seed Grain and Relief Adjustment Board, appointed under Order-in-Council P.C. 1200, hereby recommends that the Liens registered against the N.E. 4, 18-37-7-W. 4th Mer., be disposed of as follows:-

1. That the total amount payable upon the said liens be retained as a charge against the N.W. 4, 18-37-7-W. 4th Mer., until the present registered owner makes application for an adjustment.

2. That the total amount of the said liens be discharged, from the N.E. 4, 18-37-7-W. 4th Mer., without requiring the present entrant to make any payment on account of the said liens.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated April 19th, 1929, and states in support of the recommendation:-

1. That the S.E. 4, 18-37-7-W. 4th Mer., was the debtor's pre-emption, title to which has passed to the Province of Alberta, under Tax Recovery Proceedings, and it is desirable that the total amount payable upon the said liens be retained as a charge against this quarter section, until such time as the present owner effects a sale, or applies for an adjustment, when the question can be further dealt with and a recommendation made in connection therewith.

2. That the N.E. 4, 18-37-7-W. 4th Mer., was the debtor's pre-emption, entry to which has been cancelled.

3. That in the year 1918, Peter Burns, secured homestead entry to this quarter section, and agrees to assume the liability registered against same subject to adjustment.

4. .....

5390014

"G"

4. That the land is situate in a dry area and has a low value and it is not desirable that the present entrant be handicapped by requiring him to assume any portion of the liability of the original owner, as if this should be done, it might have the effect of preventing him from completing his homestead entry.

The Board therefore recommends that all liens now registered against the N.E. ¼, 18-37-7-W. 4th Mer., be discharged and that the total amount payable thereon be written off, in so far as said quarter section only is concerned, and that until a further recommendation is made that the total amount payable on the said lien be retained as a charge against the N.W. ¼, 18-37-7-W. 4th Mer., only.

E.J.Fream, Esq.,

Dear Sir;-

Re: Philip Forndorf, N.½-18-37-7-4.
Dominion Liens.

Philip Forndorf obtained the following advance from the Department of the Interior;-

1919 Seed Grain - $282.50

One W.J. Symes removed fencing of the value of $20.00 from N.E.¼ 18-37-7-4, and was made to pay this sum by the Department, who applied it on the seed grain account leaving an unpaid balance outstanding, including interest to January 31st, 1929, of $456.14.

A bond is registered on title to N.W.¼-18-37-7-4, the debtor's homestead, patent to which issued in his name on March 7th, 1921. As a result of non-payment of taxes title to this property was acquired by the Province of Alberta on June 18th, 1928.

I recommend that until application for adjustment is made by the Department of Municipal Affairs, following an offer to purchase this property, the bond remain registered and the full amount outstanding thereunder be retained against the property.

The advance also constitutes a charge against N.E.-18-37-7-4, the cancelled preemption of the debtor. On December 14th, 1928, Peter Burke made homestead entry for this property, and agreed to assume liability for the seed grain indebtedness subject to adjustment by the Board.

In his valuation the homestead inspector reports that the property is situated near Neutral Hills; that the soil is of good quality; that 80 acres of the property are cultivable, and that there are no improvements.

5390014

In his general remarks he values the property at $900.00. To my own knowledge the district in which this land is situated is one where drought conditions have been experienced during many years, where cactus is prevalent and where the nature of the soil throughout precludes any high land values.

Moreover, the fact that Fernderf starting with no encumbrances, failed in his farming operations on this land and lost his homestead for taxes and his preemption by cancellation is of itself testimony to the low value of the property.

I am of the opinion that if the new entrant is required to pay any appreciable portion of the seed grain debt, in addition to expending monies and labour in the performance of homestead duties, he will, in effect, be obliged to pay more than the property is worth in order to acquire title.

I therefore recommend that no portion of the seed grain indebtedness be retained against the N.E.¼ 18-37-7-4.

I am informed that the debtor has moved to the United States and there is no likelihood of collecting from him, but no recommendation to write off this account can be made until an application for adjustment of the bond registered on title to N.W.¼ 18-37-7-4 is made.

Yours truly,

Acting Director.

With reference to the Seed Grain indebtedness outstanding against the above consisting of a Seed Grain lien for $282.50 as given in the year 1919. I am to advise that Order-in-Council P.C. 2660/1833 passed on September 19th to the effect that this lien is to be waived insofar as the S.E. 18-37-7-W4 is concerned.

The indebtedness is, however, to be retained against the N.W. 18-title to which has passed to the Province of Alberta under Tax Recovery Proceedings pending their possible application for an adjustment at such time as a sale is made.

Seed Grain Advisory Board.

Re: Account of Philipp Frondorf
N.W. 18-37-7-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $282.50 was advanced to Philipp Frondorf on the security of the N.E. 18-37-7-W.4th. A payment of $20.00 was received in 1927 and applied to the interest. Under authority of Order in Council P.C. No. 50/1833, dated the 19th of September, 1929, the N.E. 18-37-7-W.4th was released as security for the lien and the indebtedness retained as a charge against the N.W. 18-37-7-W.4th. The present standing of this account is:-

Principal	Interest	Total
$ 282.50	$ 651.44	$ 933.94

Patent was issued in the name of Philipp Frondorf for the N.W. 18-37-7-W.4th on the 9th of August, 1921, subject to the 1919 lien.

In reply to our questionnaire of the 25th of September, 1933, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under Cultivation Lease as issued by this Department and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

W. G. Blair, Esq., M.P.
Provost, Alta.

Dear Sir,

The undersigned members of Cold Lake Social Club appeal to you as our Representative to approach the Goverument on a matter of great importance to us .

About four years ago, we approached, through you the Government for for protection regarding a small fraction of land on the Lake shore on whi to build a Social Hall for the bene'it of the Community. This , as you are aware was granted and was greatly appreciated.

We went to work and built a fairly good Hall costing about $ 500 Later we again approached the Governmentop to purchase this small fractio as one Mr Bibo, we understand, is trying to purchase it.

The land is simply worthless for farming, being mostly sand and ro on the edge of the Lake, and nearly coverd by the Hall we have built. Mr Bi besides, has already been granted one fraction on the Lake shore.

Now we wish to make another appeal to purchase this small fra on which we have built our Hall. As pioneers [illegible] 150 miles from the railway, we are denied many privileges of other people, surely it is a small concession we ask, though meaning much to us, and is for the betterment of the community by furnishing a social centre.

We, therefore, humbly pray you will use every effort to soften the hearts of our worthy Government members and help our cause.

Thanking you in anticipation, we subscribe ourselves

Your suppliant constituents,

Dear Sir: Re SW 28-7-14-4th J. Kirkness

Our client homesteaded the Southwest Quarter of Section 28, Township 7, Range 14, West of the 4th Meridian, and secured from the Department permission to scrip the same. Scrip No. 10123 issued to George Howard Kirkness was forwarded through the bank with instructions to have the scrip located in the regular way, we later advised that the transferee was residing at Cromard where the Land Titles Office for this land is located. Through error, or misinformation, on the part of the bank and the Land Agent at Cromard, they allowed the same to be filed by one Henry J. Kirkness, who claimed to be a brother of George Howard Kirkness and produced a quit claim from George Howard Kirkness who it now appears is dead. The scrip was located by Henry J. Kirkness on the land and accepted by your Land Agent at Cromard.

Under the circumstances, we would like to know if the Department would accept the scrip as located by Henry J. Kirkness and issue a patent to the homesteader on filing a transfer from

Secretary, Department of Interior.

[illegible] Henry F. Fitzgerald. If the Department could not see their [illegible] to do this, we would ask for a return of the [illegible] to [illegible] further extension of time for our client [illegible] to get the land restored.

You can readily see that our client would stand to lose considerable not through any [illegible] of his own, but through [illegible] other parties.

Our principals at Edmonton are now endeavouring to obtain these but are much hampered by lack of information, which is more difficult to get by reason of the fact that Mr. Solomon Johnston is very ill in the hospital and cannot be communicated with. Under these peculiar circumstances, we are instructed to ask for as full information as possible as to the birth and parentage of Kirkness and any other particulars which may assist us in endeavouring to make title. You will of course observe that when our client bought this scrip, it was represented to him that the owner of it was living. Sir:- re KIRKNESS SCRIP.

Our client, Mr. Solomon Johnston, homesteaded the S. W. quarter of section 28, township 75, range 14, west of the 5th meridian, and subsequently secured the right to scrip the same. He purchased scrip No. A-10553 issued to George Howard Kirkness and forwarded the same with full instructions to the bank at Grouard. The transfer was without our client's knowledge or acquiescence executed by Henry J. Kirkness, who claimed that George Howard Kirkness was dead and that he was his brother and held a quit claim or some other document from the deceased granting him the scrip. He had not, however, we understand, taken out administration or probate. The Land Agent at Grouard accepted the location by Henry J. Kirkness and forwarded the papers to you. As soon as the mistake that had occurred was discovered by our client, application was made to the Department for some relief but we were informed that it would be necessary to produce certificate of burial of George Howard Kirkness and

question by Henry J. Kirkness, who it is stated in your letter claimed that George Howard Kirkness was dead and that he was his brother, that according to the evidence, above referred to, submitted by James Kirkness, father of the said George Howard Kirkness, before Mr. Semmens, he gave in such evidence the names of all his children and he had no son by the name of Henry J. Kirkness.

Sir,

8th October,1912

Gentlemen,

I am directed to acknowledge the receipt of your letter of the 7th instant,respecting the location of Half-breed scrip in the interests of Solomon Johnston on the S.W.¼ of section 28, township 75 range 14, west 5th meridian, who formerly held the land under homestead entry, and to say that scrip note No.A[illegible], which was recently located on the quarter section above mentioned, was issued on the 14th April,1910 to George Howard Kirkness,son of James Kirkness and Ellen Kirkness,née Munro. The evidence in support of his claim to share in the grant of scrip to Half-breeds was submitted by his father before Mr. John Semmens,Inspector of Indian Agencies,of Winnipeg, on the 6th July,1908, at Norway House which is situate at the Northern end of Lake Winnipeg at its junction with the Nelson River. According to his baptismal certificate the said George Howard Kirkness was born at Island Lake in 1890.

The scrip note above mentioned was delivered at Winnipeg by Mr. Semmens on the 15th May,1910,to the grantee thereof,George Howard Kirkness,personally, who signed in his own handwriting the receipt therefor which is on file here.

I may add with regard to the location of the scrip in question

Sir:- re KIRKNESS SCRIP, YOUR FILE 2536614.

Referring to your letter of the 8th ult., we beg to say that we are in receipt of a wire from our principals to the effect that they have now found the real owner of the scrip in question, George Howard Kirkness. We are therefore instructed to ask that the agent may be notified by wire to deal with the matter accordingly. We are wiring our principals who will produce George Howard Kirkness before the agent.

We have the honour to be Sir,

Your obedient servants,

I am to add ,with regard to the location of the scrip in question by Henry J. Kirkness, who it is stated claimed that George Howard Kirkness was dead and that he is his brother,that according to the evidence above referred to,which was submitted by James Kirkness, father of the said George Howard Kirkness, before Mr.Semmens,he gave the names of all his children and he had no son by the name of Henry J. Kirkness.

In any event the then Acting Agent of Dominion Lands was at fault in allowing the location as in the case of the death of the grantee of Half-breed scrip the scrip can only be located by the deceased's personal representative after the necessary Letters of Administration of the Estate have been obtained from the proper Court.

The foregoing information is given you in order that you may be in a position to identify the grantee of the scrip when he appears before you to enter for the land above mentioned, and also to assist you in investigating the circumstances under which the location was made by Henry J. Kirkness on the 10th August last.

Gentlemen,-

I beg to acknowledge the receipt of your letter of the 3rd ultimo, in connection with the homestead entry of Mr. John Marc for the S. E. ¼ of Section 31, Township 37, Range 4, West of the 5th Meridian.

In reply I am to say that as the entry has stood since the 14th June, 1913, and was not perfected by the performance of either residence or cultivation, the Department would not be justified in allowing the entry to stand. The official who inspected the land on the 31st August last reported that no work of any kind had been done on the quarter-section, and that it was impossible to ascertain the whereabouts of the entrant.

In view of all the circumstances of the case, the Agent of Dominion Lands at Red Deer is being instructed to cancel the entry and dispose of the land in accordance with the regulations.

It is regretted that more favourable reply cannot be given to your client.

TO WHOM IT MAY CONCERN:

WHEREAS [illegible] a "settler" within the meaning of The Soldier Settlement Act, 1919, who holds under entry a parcel of Dominion Lands, namely, the [illegible] on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said [illegible] who is residing on the said land, The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1821;

NOW KNOW YE THAT the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1821, declares the right, title and interest of His Majesty in the said land, except mines and minerals whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

DATED at Ottawa this [illegible] day of [illegible] 1928.

[illegible].

MINISTER OF THE INTERIOR.

529934

File 81-30-4. CANADA OTTAWA, 9th October, 1922.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settlers.

Re. Frank Ebl,
N.W.¼ 31-37-4-W.5th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 19th September, 1918, the settler obtained advances from the Board totalling $491.22 for removal of encumbrances and permanent improvements. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is first mortgage on the S.E.¼ 36-37-4-W.5th, the settler's privately owned quarter.

The Board is informed that the settler has completed the duties in connection with his soldier grant and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated 28th August, 1922.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1041, enable the Minister on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 31-37-4-W.5th M. be vested in the Soldier Settlement Board.

This request for title is not affected by the recent amendment to Section 54 of the Soldier Settlement Act as the advances referred to in the second paragraph hereof were approved and made to the settler subsequent to his having obtained entry on the land in question.

A Vesting Order for signature is attached hereto.

W.W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

Chairman.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Re: Pte. A. E. Mitchell. No. 172066.

With reference to your "D" 3111-A of the 12th instant, the above mentioned patient was transferred from St. Andrew's Military Hospital to this Clinic on April 6th, 1920, with diagnosis of pyelitis, right side. On April 9th, 1920, this diagnosis was confirmed by cystoscopy, and the kidney-pelvis was washed out with mercurochrome; he was put on autogenous vaccine. On April 20th, 1920., he reported with a free urethral discharge containing gonococci. He persistently denies exposure to infection of gonorrhoea, but states that after herniotomy at King George's Hospital in October, 1918, he had a slight discharge. Since that time he has had anti-gonococcus vaccine, and courses of urinary antiseptics for his pyelitis. At present, he states, he sees no urethral discharge. His urine, however, contains many shreds, making it unsafe to wash out his kidney-pelvis at the present time.

With further lavage of this kidney pelvis, I see no reason why this patient could not obtain considerable improvement, but I am of the opinion, in view of the length of time he has had this disability, and the necessary long delay in getting active lavage for this disability, that he will have some permanent after-effects, which, however should not prevent him from carrying on the occupation of a farmer.

Re: #172066 - Pte. Albert E. Mitchell.

Dear Sir,-

There is attached for your information copy of a report by Dr. H. L. Paul of Toronto.

This physician thinks that although the man will have some permanent after effects from his disability, there is a possibility that he will be able to carry on his occupation as a farmer for some time in the future when the symptoms have subsided.

Yours faithfully,

Sir:

Re - Check of Soldier Settlement Lands
N.W.¼ 31--24--4 W.4th Mer.

Our card index shows that Mr. Ed. Young obtained an advance under the Soldier Settlement Act giving the above described land as security.

Our file, however, does not show that Mr. Young had at any time an interest in the quarter-section in question, as patent for the land issued in favour of Henry Oliver Huckery on the 3th of November, 1916.

If Mr. Young obtained an advance will you kindly furnish me with a description of the land given as security.

Your obedient servant,

Commissioner of Soldier Lands.

Re: Account of H.O. Huckery (deceased).
W.½ 31-24-4-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $290.80 were advanced to H.O. Huckery on the security of the above mentioned land. Payments of $43.05 and $150.00 were received in 1923 and 1924, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 168.22	$ 296.21	$ 464.43

Patent was issued in the name of Henry Oliver Huckery for the N.W. 31-24-4-W.4th on the 30th of November, 1916, subject to the 1915 liens. The S.W. 31-24-4-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The South West quarter is unalienated Crown land while title to the North West quarter is vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under grazing lease as issued by this Department, and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment, and the liens discharged.
